desc: 2 line clamp

2 way:

line-clamp + line-2

A tag!!

padding right for title incase long length

if text write without space and too long => word-break:break-all

carousel feedback-list>feedback-item

image:display:block to keep margin like design

Peter Moor

Student of Web Design

creating class dot--active, cursor: pointer if not dot--active

“

Not only does my resume look impressive—filled with the names and logos of world-class institutions—but these certificates also bring me closer to my career goals by validating the skills I've learned.”
